2.3 Parterna skall underrätta varandra om alla verksamheter som rör detta avtal och samråda om förhållanden uppstår som kan inverka på endera partens situation.

2.4 Sverige skall årligen till FN avge en skriftlig rapport om sin verksamhet i fråga om restaurering och bevarande av filmmaterialet.

Artikel 3

Avtalsbestämmelser

3.1 Finansiering

Sverige skall finansiera sådan verksamhet som Sverige utför med stöd av detta avtal. Finansieringen skall omfatta:

SÖ 2006: 6

(1) the transport of the Film Material to the restoration site in Sweden from the UN archives at the UN Headquarters in New York;

(2) the restoration works; and,

(3) the subsequent preservation and long-term archival storage of the original Film Material in the "Dag Hammarskjöld UN Archives" to be established in Sweden as set forth above.

3.2 Copyright

3.2.1 The UN retains the copyright for film and television or other visual media of the Film Material made available to Sweden under this Agreement.

3.2.2 By virtue of this Agreement, the UN does not assign, transfer or otherwise grant any copyright or any other intellectual or property rights that the UN may have in the Film Material.

3.3 Usage Rights

3.3.1 Any future use of the Film Material, including for film or television or other visual media, shall be subject to prior written approval and financial arrangement obtained from the UN. The UN retains the right to consult, as appropriate, with Mr. Dag Hammarskjöld's family prior to such approval.

3.3.2 Without prejudice to Article 3.3.1, and without prior approval from the UN and free of charge or royalty, Sweden is authorized to make the Film Material available for research and study purposes relevant to the life and times of Mr. Dag Hammarskjöld in accordance with relevant Swedish legislation relating to official archives.

3.3.3 The UN shall be provided with a courtesy credit no less prominent than that given to any other provider of similar materials as the Film Material.

3.3.4 The name and emblem of the UN may only be used in direct connection with the activities related to this Agreement and subject to the prior written consent of the UN.

3.4 Replicate Digital Videotapes

After completion of the restoration, Sweden shall make available to the UN a clearly labeled replicate digital videotape version of the restored Film Material at no cost to the UN.

1) Transport av filmmaterialet till restaureringsorten i Sverige från FN:s arkiv i FN-högkvarteret i New York.

2) Restaurering av materialet.

3) Efterföljande bevarande och långtidsförvaring av originalen till filmmaterialet i Dag Hammarskjölds FN-arkiv, som skall upprättas i Sverige enligt ovan.

3.2 Upphovsrätt

3.2.1 FN skall behålla upphovsrätten för film och TV och andra visuella medier för det filmmaterial som ställs till Sveriges förfogande med stöd av detta avtal.

3.2.2 FN överlåter inte med stöd av detta avtal upphovsrätt eller andra immateriella rättigheter som FN kan ha i filmmaterialet.

3.3 Användarrätt

3.3.1 För all framtida användning av filmmaterialet, inklusive för film, television och andra visuella medier, fordras skriftligt förhandstillstånd av och en ekonomisk överenskommelse med FN. FN behåller rätten att på lämpligt sätt samråda med Dag Hammarskjölds familj innan sådant tillstånd ges.

3.3.2 Utan hinder av artikel 3.3.1, utan förhandstillstånd av FN och utan vederlag eller royalty får Sverige ställa filmmaterialet till förfogande för forsknings- och studieändamål med avseende på Dag Hammarskjölds levnad och tid i enlighet med tillämplig svensk lagstiftning avseende offentliga arkiv.

3.3.3 FN skall omnämnas på ett sätt som inte är mindre framträdande än det som ges andra som ställer liknande material som filmmaterialet till förfogande.

3.3.4 FN:s namn och emblem får endast användas i direkt samband med verksamheter som sammanhänger med detta avtal och efter skriftligt förhandstillstånd av FN.

3.4 Kopior i form av digitala videoinspelningar

När restaureringen är avslutad, skall Sverige till FN:s förfogande ställa tydligt märkta kopior i digital videoupptagningsversion av det restaurerade filmmaterialet utan kostnad för FN.

3.5 Database Records

Sweden shall make the classified and indexed records of the restored Film Material available to the UN at no cost to the UN. These records shall be provided in English in hard copies and in an electronic format.

Article 4

Modalities of transfer

4.1 Verification of Tape Backups of Key Historical Material

The UN shall inspect the Film Material and identify those that already have videotape backups. In case where there is no videotape backup, and both the UN and Sweden deem that the footage is of crucial historical value, Sweden shall transfer such film to videotape, at no cost to the UN, before the original Film Material is released to Sweden.

4.2 Shipment

4.2.1 Sweden shall be responsible for all shipping expenses and for any loss of or damage to the Film Material after it is being made available to Sweden for restoration from the UN archives at its principal Headquarters in New York.

4.2.2 In order to minimize any loss or damage to the Film Material, and any additional material that may be made available to Sweden for restoration, the Film Material shall be shipped in several consignments as agreed upon by the UN and Sweden.

Article 5

Additional materials

5.1 Inspection of Available Records

In addition to making the Film Material available to Sweden for restoration, preservation and long-term archival storage, the UN will provide an opportunity to Sweden to inspect, as appropriate, other available UN archival records such as index cards, files, audio material and photographs relating to Mr. Dag Hammarskjöld's tenure as the Secretary-General of the UN.

3.5 Databasregister

Sverige skall ställa det systematiserade registret över det restaurerade filmmaterialet till FN:s förfogande utan kostnad för FN. Registret skall tillhandahållas på engelska i form av papperskopior och i elektronisk form.

Artikel 4

Bestämmelser om överföring

4.1 Kontroll av videobands säkerhetskopior av grundläggande historiskt material

FN skall inspektera filmmaterialet och identifiera sådant material som redan har försetts med säkerhetskopior i form av videoband. Om det inte finns några säkerhetskopior i form av videoband, och både FN och Sverige bedömer att materialet har avgörande historiskt värde, skall Sverige överföra filmen i fråga till videoinspelning utan kostnad för FN, innan originalen av materialet lämnas ut till Sverige.

4.2 Transport

4.2.1 Sverige skall svara för alla transportkostnader och eventuell förlust av eller skada på filmmaterialet sedan det har ställts till Sveriges förfogande för restaurering av FN-arkivet vid dess högkvarter i New York.

4.2.2 För att minimera eventuell förlust av eller skada på filmmaterialet och allt ytterligare material som kan göras tillgängligt för Sverige för restaurering, skall filmmaterialet transporteras i flera försändelser enligt överenskommelse mellan FN och Sverige.

Artikel 5

Tillkommande material

5.1 Tillgång till tillgängliga arkivalier

Utöver att ställa filmmaterialet till Sveriges förfogande för restaurering, bevarande och långtidsförvaring skall FN bereda Sverige tillfälle att när så är lämpligt få tillgång till andra tillgängliga FN-arkivalier, såsom kortregister, dossierer, ljudmaterial och fotografier med anknytning till Dag Hammarskjöld och hans tid som FN:s generalsekreterare.

SÖ 2006: 6

5.2 List of Material Transferred

If, in addition to the Film Material, any addition of material such as audio recordings and photographs from the UN archives is made available to Sweden for restoration, preservation and long-term archival storage, the Parties will jointly prepare a detailed list of any such material before it is made available to Sweden.

Article 6

Privileges and immunities

Except as otherwise expressly provided in this Agreement, nothing in this Agreement shall be deemed a waiver of any of the privileges and immunities of the UN.

Article 7

Settlements of disputes

Any dispute between the UN and Sweden arising out of or relating to this Agreement which is not settled by negotiation or other agreed mode of settlement shall be submitted to arbitration at the request of either Party. Each Party shall appoint one arbitrator, and the two arbitrators so appointed shall appoint a third, who shall be the chairman. If within thirty days of the request for arbitration either Party has not appointed an arbitrator or if within fifteen days of the appointment of two arbitrators the third arbitrator has not been appointed, either Party may request the President of the International Court of Justice to appoint an arbitrator. The procedure of the arbitration shall be fixed by the arbitrators and the expenses of the arbitration shall be borne by the Parties as assessed by the arbitrators. The arbitral award shall contain a statement of the reasons on which it is based and shall be accepted by the Parties as the final adjudication of the dispute.

Article 8

Notices

Unless otherwise specified in the Agreement, all notices and other communications

5.2 Förteckning över överfört material

Om, utöver filmmaterialet, tillkommande material såsom ljudupptagningar och fotografier från FN-arkiven ställs till Sveriges förfogande för restaurering, bevarande och långtidsförvaring, skall parterna gemensamt göra upp en detaljerad förteckning över allt sådant material innan det görs tillgängligt för Sverige.

Artikel 6

Privilegier och immunitet

Om inte annat uttryckligen bestäms i detta avtal, skall ingenting i avtalet betraktas som ett avstående från något av FN:s privilegier eller immunitet.

Artikel 7

Tvistlösning

Twister som uppkommer mellan FN och Sverige som härrör från eller sammanhänger med detta avtal och som inte löses genom förhandling eller på annat överenskommet sätt för tvistlösning skall hänskjutas till skiljedom på begäran av endera parten. Vardera parten skall utse en skiljedomare, och de båda så utsedda skiljedomarna skall utse en tredje skiljedomare, som skall vara ordförande. Om endera parten inom 30 dagar efter begäran om skiljeförfarande inte har utsett en skiljedomare eller om, inom 15 dagar från utseendet av de två skiljedomarna, den tredje skiljedomaren inte har utsetts, får endera parten begära att Internationella domstolens president utser en skiljedomare. Arbetsordningen för skiljeförfarandet skall bestämmas av skiljedomarna, och kostnaderna för skiljeförfarandet skall bäras av parterna på det sätt som skiljedomarna bestämmer. Skiljedomen skall innehålla en redogörelse för de skäl på vilka den grundas och skall godkännas av parterna såsom ett slutligt avgörande av tvisten.

Artikel 8

Meddelanden

Såvida inte annat anges i avtalet, skall alla meddelanden och andra underrättelser som for-

required or contemplated under this Agreement shall be given in writing and addressed and delivered to the Party for whom intended at the address shown below or such other address as the intended recipient may from time-to-time designate by written notice.

Article 10

Termination

The Parties recognize that the successful restoration and preservation of the Film Material is of paramount importance. Should circumstances arise which would inhibit successful completion of the restoration and preservation of the Film Material, the Parties shall consult with each other and seek to rectify the circumstances. If the situation cannot be rectified, either Party may terminate this Agreement by written notice to the other Party.
