| 8. Summary of relevant experience | <p>Goldman Sachs ("GS") has been active in Sweden and the Nordic region for a long period of time, with local presence in Stockholm since 1998. GS advises a diverse set of clients ranging private equity firms, corporates and government entities on mergers &amp; acquisitions (M&amp;A), financing and derivative solutions. GS is consistently ranked as the leading M&amp;A and equity adviser globally, having advised on many of the largest and most complex transactions in Sweden and the broader Nordic region.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
