

Utrikeskorrespondenter verksamma i Sverige  
mars 2024

Regeringskansliet  
Utrikesdepartementet

Utrikesdepartementets förteckning över utländska korrespondenter omfattar journalister, fast anställda och frilansjournalister, verksamma i Sverige och/eller med Sverige som bevakningsområde. Många av dem rapporterar även från de övriga nordiska länderna och i några fall även från de baltiska länderna.

Nyhetsföretagets hemort avgör placeringen i listan snarare än spridningsområdet, men vissa undantag har skett. Sålunda finns flera nyhetsföretag samlade under begreppet Mellanöstern.

Där flera journalister representerar samma nyhetsföretag har den ordinarie korrespondenten placerats först, följd av frilansmedarbetare.

Förteckningen sammanställs av UD:s internationella presscenter, som är en del i UD:s kommunikationsenhet.

En korrespondent som önskar bli upptagen i förteckningen ska styrka sitt journalistiska uppdrag bland annat genom intyg från chefredaktör och arbetsprover. Blankett för ansökan kan beställas från [ud.kom.ipc@gov.se](mailto:ud.kom.ipc@gov.se).

Foreign Press Association (FPA) har rätt att utfärda presskort, som också är ett godkänt ID-kort, till medlemmar som har upptagits på UD:s lista över utrikeskorrespondenter. I slutet av denna lista finns kontaktuppgifter till föreningen och dess styrelse.
